MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Rescinding of ATAG Policy Letter #12, Bonus Incentive Program for Fiscal Year (FY) 2012

1. Policy Letter #12, which established the Kansas Army National Guard Decentralized State Incentive Pilot Program (DSIPPP), is rescinded.
2. National Guard Bureau has centralized the budgets for all programs under the Selected Reserve Incentive Program (SRIP) for Fiscal Year 2014. This means that individual states no longer have funding specifically allocated for their recruiting and retention efforts. All SRIP bonus programs will be funded on a first-come, first-serve basis nation-wide.
3. This policy will allow the Kansas Army National Guard (KSARNG) to offer more programs and has the potential to be better funded, however it must be noted that the funding will be available to all 54 states and territories for their National Guard SRIP use.
4. Bonus control number request, via the Guard Incentives Management System (GIMS) only, is available. Control numbers will be approved on a first come first served basis by the Incentive Manager until funds are exhausted.
5. Any questions relating to incentives programs can be directed to MSG Jodi Melby at (785) 274-1068..
